

All8 Sensory Support Online Safely Agreement

All8 Sensory Support understands the importance of children being able to use the internet for education and personal development. At times, it may be appropriate to use the internet for educational purposes in our sessions. We aim to support children and young people to use the internet safely in our work and we recognise that safeguards need to be in place to ensure children are kept safe at all times.

This agreement is part of our overarching code of behaviour for children and young people and staff and volunteers. It also fits with our overarching online safety policy. If you would like to know more about this, please speak to Alison Alderton.

Learner: please read the following agreement and discuss it with your parents/carers and facilitator.

Parents/carers: please read and discuss this agreement with your child and then sign it, ask your child to sign it, and return it to the facilitator. If you have any questions or concerns please speak to Alison Alderton.

Young person's Agreement

- I will be responsible for my behaviour when using the internet, whilst at all8 Sensory Support. This includes the resources I access and the language I use.

- I will not send anyone material that could be considered threatening, bullying, offensive or illegal.
- I will not give out any personal information online, such as my name, phone number or address.
- I will not reveal my passwords to anyone.
- I will not arrange a face-to-face meeting with someone I meet online unless I have discussed this with my parents/carers and am accompanied by a trusted adult.
- If I am concerned or upset about anything I see on the internet or any messages that I receive, I know I can talk to my facilitator.

I understand that my internet use at All8 Sensory Support will be monitored and logged and will be available to my facilitator.

I understand that these rules are designed to keep me safe and that if I choose not to follow them, All8 Sensory Support may contact my parents/carers.
